Camille Dufieux to Conclude Her Tenure on the Management Board of INTREAL

- Long-standing Managing Director leaves by mutual agreement
- INTREAL expresses its sincere gratitude to Camille Dufieux for more than 20 years of exceptional service

IntReal International Real Estate Kapitalverwaltungsgesellschaft mbH (INTREAL) and Camille Dufieux (56) have agreed that Ms. Dufieux will leave her role as Managing Director effective May 31, 2026. The departure is taking place by mutual agreement and with great mutual respect.

Camille Dufieux looks back on a career of more than 20 years at INTREAL, during which she played a key role in shaping the company through decisive phases of growth. Since joining in 2006 - then at the former parent company Warburg-Henderson Kapitalanlagegesellschaft mbH - she has significantly contributed to the development and strategic evolution of what is now INTREAL.

Ms. Dufieux began her career in international real estate financing, first at Landesbank Rheinland-Pfalz in Mainz, then at Eurohypo AG in Frankfurt, followed by HSH Nordbank AG in Hamburg. In 2006, she joined Warburg-Henderson KAG as Head of Treasury and moved to INTREAL in 2010 as Portfolio Supervisor, where from 2012 she led and expanded the Partner Funds division.

With INTREAL's expansion into Luxembourg, Ms. Dufieux was appointed Conducting Officer of IntReal Luxembourg S.A. in 2021. At the beginning of 2024, she was appointed Managing Director of INTREAL in Hamburg - a position that reflected both her extensive experience and the company's strong confidence in her leadership abilities.

Erik Marienfeldt, Chairman of the Supervisory Board of INTREAL, commented on Camille Dufieux's contributions: "Camille Dufieux has helped shape INTREAL in key roles for more than two decades and has made a significant contribution to establishing us as one of the leading service management companies in Germany and Luxembourg. We would like to thank her sincerely for her exceptional dedication and loyalty and wish her all the best for the future."

Andreas Ertle, Managing Director of INTREAL, added: "Camille has played a decisive role in developing INTREAL's business with her deep market knowledge and tireless commitment. We regret her departure and wish her all the very best, both personally and professionally."

Camille Dufieux stated: "I look back with great gratitude on more than 20 very fulfilling years at INTREAL. It was an honor to help shape the company's journey from the early days as a service KVG to its current market position. I would like to thank my colleagues, the management board,

and the supervisory board for their trust and collaboration, and I wish INTREAL continued success.”

The remaining management team, consisting of Andreas Ertle and Malte Priester, will take over Ms. Dufieux’s responsibilities.

About INTREAL

INTREAL is an independent platform partner for real asset services. As a service KVG and AIFM, the company is responsible for the structuring and administration of real asset funds in Germany and Luxembourg.

In addition, INTREAL enables existing KVGS and AIFMs to efficiently outsource their back-office functions. INTREAL also provides integrated software solutions as well as accounting and reporting services for the real asset market. The service portfolio is complemented by specialised advisory and IT services.

With 562 employees, the Group – operating under the INTREAL umbrella brand – administers 395 funds across 19 countries, representing a total volume of approximately EUR 90.1 billion (as of the end of Q4 2025).
